Midlands Machinery Show 2023

Welcome back to the ultimate hub for agricultural businesses to showcase their innovative products or services and the latest advancements in the industry, to those who work or have an interest in agriculture. Being one of the largest Midlands based agricultural machinery shows in the UK, this is your chance to connect with a diverse range of regional and national distributors and industry experts, all gathered in one convenient place – where technology and farming combine.

This event is organised by Newark and Nottinghamshire Agricultural Society (NNAS) – a registered charity dedicated to promote, celebrate and champion agriculture across the Midlands region.

Become a member of the NNAS.

Our members are vital to the lifeblood of our Society and by becoming a member you'll be supporting our charitable objectives.

Check out the benefits of becoming a member by visiting: www.nottinghamshirecountyshow.com

Please note: This event is being photographed and/or videoed. Your image may be used in connection with the advertising and promotion of the Midlands Machinery Show. Please let a member of staff know if you do not wish to be photographed.

Welcome to MMS

The Midlands Machinery Show returns and with growing interest in agricultural sustainability, green themes will take centre stage at this years Show, including the NFU conference.

We hope you enjoy the show! Any feedback is welcome, please send your comments to: info@midlandsmachineryshow.com
